

# Quality Policy

*Ortec, Inc. is committed to being a leader in providing quality products and services to our customers. Adherence to established indicators of performance while developing innovative methods to meet our customer needs is a driving force of our business. Each employee is responsible for their work and committed to the continuous improvement of the products and services they provide. Ortec's ability to deliver the highest quality products and services is reinforced by our commitment to building long-term relationships with our customers and our suppliers. To help guide our path, we adhere to the core belief of Integrity, which is supported by the following unwavering principles:*

## OPTIMISM

*Looking forward with enthusiasm*

## HONESTY

*Building trust every day*

## DILIGENCE

*Attention to detail*

## STEWARDSHIP

*A responsibility for success*

## HUMILITY

*The invisible team*

## SHARED OUTCOMES

*Our customers' success is our success*
